

# Africa

Toto

(Solo 1) I hear the drums echoing tonight

But she hears only whispers of some quiet conversation

(Solo 2) She's coming in, 12:30 flight

The moonlit wings reflect the stars that guide me towards salvation

(Solo 3) I stopped an old man along the way

Hoping to find some old forgotten words or ancient melodies

(Solo 4) He turned to me as if to say, "Hurry boy, it's waiting there for you"

It's gonna take a lot to drag me away from you

There's nothing that a hundred men or more could ever do

I bless the rains down in Africa

Gonna take some time to do the things we never had (ooh, ooh)

(Solo 2) The wild dogs cry out in the night

As they grow restless, longing for some solitary company

(Solo 3) I know that I must do what's right

As sure as Kilimanjaro rises like Olympus above the Serengeti

(Solo 4) I seek to cure what's deep inside, frightened of this thing that  
I've become

It's gonna take a lot to drag me away from you  
There's nothing that a hundred men or more could ever do  
I bless the rains down in Africa  
Gonna take some time to do the things we never had (ooh, ooh)

(Solo 1) Hurry boy, she's waiting there for you

It's gonna take a lot to drag me away from you  
There's nothing that a hundred men or more could ever do  
I bless the rains down in Africa  
I bless the rains down in Africa (I bless the rain)  
I bless the rains down in Africa (I bless the rain)  
Gonna take some time to do the things we never had (ooh, ooh)
