Dear Harmony students,

Hello again! How are you?! I am hoping & praying that you and your family are safe and healthy. I hope that remote school is going well for you.

Once again, I am going to give you some musical things to do this week just for fun or relaxation.

Here is a list of my classes, & the things you can do.

If there's anything you need, or just want to talk, please have Zoe give you my contact information.

You guys are awesome, & I'm proud of you.

JoAnne

**\*For everyone!**

1) Tell me about a song or piece of music that gives you joy, & why!  
I will put together a "Social Distancing Playlist" for us to share together.

2) Get moving! No sitting around! I hope you all had a good time watching last week's Bollywood dance party!

Here is this week's dance lesson-

Greek dancing! FYI, my nephew married a Greek young woman last year, so my sisters & I went to Greece and took some lessons from the bride! Greek dancing is very fun! EVERYBODY gets involved, and everyone is included!

How does the music make you feel? Did you like the music? Did you hear any specific instruments playing? Was the music fast or slow, loud or soft, intense or gentle, simple or difficult? What did you think of the performance? Please write down your thoughts in a notebook.
